

# SECONDARY RESIDENCE

European cooperation project  
2021 → 2024

---

## GUIDE RESEARCHER

---

### 1 MISSIONS OF THE RESEARCHER

→ Attend the 3 focus group meetings,

→ Write a synthesis of each meeting in the language of their choice. This synthesis will be published in the original language on the website. The unofficial translation (DeepL) will not be communicated publicly (if extracts are used, prior validation by the researcher). Sending to the local coordinator, the scientific director and the general coordinator.

**Deadline for sending each synthesis : 15 days after each meeting**

→ Attend the transmission meeting D1 of the residence,

→ Meet the trio of residents during the residence,

→ Organise an interview with the residents and the local coordinator at D6 of the residence following the interview guide provided by the evaluation manager,

→ Attend the presentation/opening of the artwork (three months after the artistic residency),

→ Write an article of 6,500 words in the language of one's choice in accordance with the editorial framework communicated by the scientific direction. This article will be translated into French and English and published in the scientific book of the *Secondary residence* project. Send it to the local coordinator, the scientific director and the general coordinator.

**Deadline for sending the article:  
8 weeks after the presentation / opening of the artwork**

---

### 2 ADMINISTRATIVE FRAMEWORK

→ Send to the local coordinator, the scientific director and the general coordinator your administrative information and bank details,

→ Sign the Copyrights contract with L'âge de la tortue,

→ Provide a Copyrights invoice after sending the article.
